Insurance and Fee information

We are an in-network provider for:

- Premera
- Blue Cross Blue Shield
- Regence
- Lifewise
- First Choice
- Cigna

We are out-of-network providers for all other insurance companies

- Aetna
- United Healthcare

We are NOT a provider for

- Medicare
- DSHS
- PIP auto insurance

Initial evaluation is typically one and a half hours. Most other follow-up visits are one hour. All visits are one-on-one with your physical therapist. In order to provide high quality care and keep our small business viable, we have the following financial policies.

If your insurance is in-network:

If we are an in-network provider for your insurance policy, we bill your insurance directly. However, being in-network does not guarantee that our services are covered by your insurance. We strongly recommend that you check your insurance policy.

If your insurance is out-of-network:

If we are an out-of-network provider for your insurance policy, We require a full payment for the treatment cost at the time of the service, and full Orthotics payment of \$370 at the time of casting. We will provide itemized receipts for the treatment provided so that you can submit the claims to your insurance company directly. Please talk to us regarding the discount when you are billing your insurance directly.

We are NOT a provider for Medicare: Please contact us so we can talk to you about our Return to Fitness Program fee structure.

If you are a private pay patient:

If you are a private pay patient, we offer discounts if paid at time of service. Please ask your provider for details.
